

EASTERN NATIONAL - ALLOCATION OF VEHICLES TO SERVICES

This publication lists vehicles operated on all Eastern National services. The operating garage(s) and outstation(s) are shown with the vehicle types scheduled to be operated. It should be noted that certain vehicles are operated on single/special journeys only.

When operation on Monday to Friday is restricted to certain days only, these are shown in parenthesis. The information given in this publication is correct as at August 1981.

For details of vehicles operated within the Southend Co-ordination Area please refer to Group Publication EP34.
